1. Purpose

The purpose of this policy is to maintain the integrity of the assessments and provide a consistent approach in dealing with plagiarism and student misconduct issues in the academic works.

2. Scope

This policy applies to all the students of the college. The policy applies to all types of student misconduct including general misconduct, academic misconduct and administrative misconduct.

3. Definitions

Plagiarism: Plagiarism occurs when a student tries to pass off another person’s work or ideas as their own. Plagiarism includes copying of work from internet, books, other student’s work or any other published or unpublished source without appropriate citation and acknowledgement. Students commit plagiarism if they do not acknowledge the source of a direct quote, or a specific piece of writing that they have paraphrased, or even if they describe an idea or concept that they have heard or read somewhere without a reference or acknowledgement.

Examples of plagiarism include:

- Direct copying of paragraphs, sentences, a single sentence or significant parts of a sentence;
- Direct copying of paragraphs, sentences, a single sentence or significant parts of a sentence with an end reference but without quotation marks around the copied text;
- Copying ideas, concepts, research results, computer codes, statistical tables, designs, images, sounds or text or any combination of these;
- Paraphrasing, summarising or simply rearranging another person's words, ideas, etc. without changing the basic structure and/or meaning of the text;
- Offering an idea or interpretation that is not one’s own without identifying whose idea or interpretation it is;
  - A ‘cut and paste’ of statements from multiple sources;
  - Presenting as independent, work done in collaboration with others;
  - Copying or adapting another student’s original work into a submitted assessment item

Enabling plagiarism contributes to plagiarism and therefore will be treated as a form of plagiarism by the college. Enabling plagiarism means allowing or otherwise assisting another student to copy or otherwise plagiarise work by, for example, allowing access to a draft or completed assignment or other work.
